

Newsletter 5, January 2019

It has been exciting to hold our first FOTAS meeting of 2019 and start to plan our events and activities for the coming term. Our meetings are always a friendly, relaxed chance to reflect on the events that have taken place and look to new and familiar ways to provide fun chances for our pupils and parents to come together whilst raising funds for the school. We are always looking for different ideas and input and encourage any parents/carers that can join us for a meeting to do so. There is no commitment required, but your energy and enthusiasm would be welcomed.

We are delighted to announce that, amongst many familiar events, we will be holding a FOTAS Shopping and Pamper Evening after half term. This will be our second such event and after the success of the last one we very much look forward to welcoming parents, families and friends to join us for a glass of bubbles whilst enjoying a wide range of local retailers as well as a little bit of pampering with massage, henna and other treatments planned. If you are interested in having a stall at the Shopping and Pamper Evening or offering a Pamper service, please can you contact the school office.
