

The Avenue Infant School

FRIDAY UPDATE

Friday 17th January 2025

A couple of updates for your information:

Headlice:

We have had a couple of parent report cases of headlice. Please ensure you regularly check your child's hair and take action if you find eggs or live lice. The NHS advice for removing or treating headlice and nits can be found [here](#).

Come & See event:

Parents are invited to drop into school to see their child's work on **Wednesday 29th January** any time from 3.15 until approx. 3.45pm. This is an informal opportunity for your child to show you their work and classroom. Teachers will be present but not available for in-depth conversations as we anticipate this will be a busy event. Please note, parents who have children to collect from the junior school will be able to come back over to The Avenue once you have done this. Please don't worry if you are unable to attend this event, your child's work will be available to see in the parents evenings next half term.

Have a lovely weekend.

In celebration assembly today we said well done to the following children, who received **Special Awards** and special gold Headteacher's Award sticker:

Aman (Beech class) - for super listening, effort and expression in the Dance lesson this week.

Emmanuel (Hazel class) - for working hard to make sure he is listening and joining in with learning in lessons.

Lily (Maple class) - for trying hard to use the correct 'special friends' in her writing.

Yahya (Cherry class) - for being really resilient and taking on challenges in the classroom.

Leo C (Willow class) - for super independent writing.

Adwaith (Oak class) - for being so happy and confident this week.

Class Accolades

Hazel Class - Miss Morris was so impressed with the excellent dance moves you created in P.E. this week.

Hazel Class was presented with their Class Accolade certificate and earned two class ticks. Well done everyone!

WHAT'S ON NEXT WEEK (Spring 1 Week 3):

Monday 20th Jan	- Rock Steady Club - Reception Screen

Values tokens
total this week:

180

As part of our commitment to safeguarding, it is important that we ensure that parents/carers are as informed as possible about online safety.

Setting up parental controls on devices

At this time of year, it's highly possible that you have a new phone, games console or other digital device stashed somewhere at home, ready to be unwrapped. Many parents also prefer to place some protective measures on those gifts – to keep their child shielded from potential #OnlineSafety risks – while others would like to, but aren't sure where to begin.

Our guide shepherds you through the process of establishing parental controls on new internet-enabled devices, from smartphones to laptops to consoles. Simply find the device in question and read on to find out what options you have and how to enable them – letting children enjoy their shiny new gadget, without so much of the worry over where it might lead them.

The guide on this subject can be downloaded from our school Facebook page. <https://www.facebook.com/TheAvenueInfantSchool/> and from the school website.
