

The Avenue Infant School

FRIDAY UPDATE

Friday 20th June 2025

We were so proud of the children who represented The Avenue at Wellingborough Library for a storytelling event based on *Osiere and the Ballet Queen* in association with the Black Ballet Company. The children listened so well and even have the chance to try out some dance moves!

Next Friday is our annual Sports Day. We look forward to welcoming families to watch at the year group times (please see the email already sent which contains important details). Can we just draw your attention to the fact we can only accommodate a maximum of two family members per child to watch due to our limited space. Thank you for your understanding with this. Please remember sunscreen on your child before school and they will need a hat and water bottle. Have a lovely weekend.

In celebration assembly today we said well done to the following children, who received **Special Awards** and special gold Headteacher's Award sticker:

Iyaaz (Beech class) - for showing lovely manners, trying hard with all his learning and being kind and thoughtful.

Kaitlyn (Hazel class) - for perseverance and independence in writing.

Isla (Maple class) - for persevering with your reading challenge in your learning journey.

Emilia (Cherry class) - for her fabulous short story, written independently.

Nora V (Willow class) - for being such a brilliant role model and always showing Avenue Values.

Class Accolades

Maple Class - For determination and team spirit in PE

Cherry Class - For being impressive geographers, learning about the continents of the world.

Willow Class - For super listening, perseverance and teamwork.

Each class received two class ticks. Well done everyone!

Year 2 trip letter

As part of our commitment to safeguarding, it is important that we ensure that parents/carers are as informed as possible about online safety and well-being.

Top tips for staying safe in hot weather

Summer is here, and with it come the hottest days of the year. While it's a great idea to get outdoors and enjoy the sun, prolonged exposure to hot weather can come with a few downsides. They are, however, drawbacks that can be easily avoided.

Our free guide has gathered ten pieces of expert advice on how to stay safe in hot weather – helping to ensure children and young people can make the most of the summertime without worrying about their wellbeing.
