SCIENCE WEEK FUN!

Ask your child about their investigations this week creating different ways to travel. Today the classes tested their creations. Please talk to them about the boats, moon buggies and parachutes they saw. Which were the most successful? Please look out for photos on our Facebook page.

PANTS PLEA!

Our stock of spare pants (boys and girls) are running very low. We would be very grateful for any clean donations to replenish the stock. Also if your child makes use of these spares, please ensure they are washed and returned to school. Thank you very much.

Have a lovely weekend.

Thank you for all your donations to Comic Relief for Red Nose Day today. The grand total will be revealed shortly.
