

We have had many reasons to be proud of our children this week. Year 2 visited Wellingborough Museum on Tuesday and were exemplary in their behaviour and manners, also remembering to listen carefully and ask sensible questions. Beech class have also enjoyed making pizzas at the Kingwood kitchens today - the school smelt delicious on their return!

Reception also had a fabulous time at West Lodge Farm where they fed lambs, stroked pets, watched piglet racing and had a tractor ride! They were also brilliant representatives of The Avenue - well done everyone.

Monday is a bank holiday so we will see everyone on Tuesday. Have a wonderful long weekend, enjoy the warm sunshine!

As part of our commitment to safeguarding, it is important that we ensure that parents/carers are as informed as possible about online safety and well-being.

What parents and carers need to know about influencers

The concept of influencers is hardly a new one. Through newspaper columns and TV spots, we've long been accustomed to hearing informed opinion from, say, Martin Lewis on money, Nigella Lawson on food. How the digital revolution has changed the game, however, is by providing a plethora of platforms from which literally anyone can have their say.

Online, you'll find hordes of people holding forth on any number of topics: gaming, beauty, travel, fashion, fitness ... virtually anything you can think of. What qualifies them as 'experts', however? Is it safe for young people to consume the oceans of content that they generate?

The guide on this subject can be downloaded from our school Facebook page. <https://www.facebook.com/TheAvenueInfantSchool/> and from the school website.
