Summer Term Week 4

Thank you for all your support during the exceptionally hot weather this week. The children have coped very well considering the conditions and accepted the adjustments to their day without complaining. Hopefully the weather will cool to more usual summer temperatures for next week, particularly for Year 1 to enjoy their trip to Warwick Castle on Wednesday.

As we approach the end of term the children will start to think about leaving their current class and moving to their new class. The teachers will be talking to the children about their new class, the excitement and possible worries about moving on and answering any questions. Information about their new class teacher will be shared with you prior to the Transfer day on Tuesday 7<sup>th</sup> July.

Have a lovely weekend.

## Class Attendance Award

Maple Class - 95.7%

## SPECIAL AWARDS

In celebration assembly today we said well done to the following children, who received **Special Awards** and special Headteacher's Award sticker:

**Louis** (Hazel class) – for working extra hard to finish his learning journey.

**Alfie-Lee** (Beech class) – for super ideas for his innovated warning tale.

**Swara** (Maple class) – for amazing short stories, remembering punctuation and neat handwriting.

**Andreea** (Cherry class) – for always being enthusiastic in singing and performing.

**Hail** (Willow class) – for trying super hard with his phonics.

**Logan** (Oak class) – for his wonderful enthusiasm for handwriting and sentence writing lately.

- Gymnastics club 3.15 – 4.30pm

**Values tokens this week: 150**

As part of our commitment to safeguarding, we provide information about online safety and wellbeing.

### Creating family rules for using devices

Most modern-day families probably use a multitude of devices at home. Sometimes, such devices are used more often by the children of the household, with many smartphones, laptops, consoles and the like being exclusively enjoyed by the younger members of the family. However, between the online safety risks that come with this technology and the physical, emotional and mental impacts of overuse, it can be a good idea to set some ground rules for the sake of children's wellbeing.

Agreeing rules around the use of tech in the home can sometimes pose a challenge, and it can be difficult to know what's reasonable, what might be a step too far, and what doesn't go far enough. That's why we've created this free safety guide, offering you top-level advice on how to successfully think up and enforce rules for using devices.
