Summer Term Week 6

This week we said 'goodbye for now' to Mrs Mason as she began her maternity leave. I know she was very moved by the kind wishes and generous gifts (see message below). Mrs Austen will be covering Mrs Mason's maternity leave from Monday, and we look forward to welcoming her. The children will enjoy a visit to their new class next Tuesday. Please look out for important emails regarding your child's new class and also some information about the school for next academic year. Have a lovely weekend.

A message from Mrs Mason: *Mrs Mason would like to express her heartfelt thanks for the wonderful gifts she received for both herself and her baby. She was truly overwhelmed by the generosity, kindness and thoughtfulness shown by the parents and is incredibly grateful for all of your well wishes.*

As part of our commitment to safeguarding, we provide information about online safety and wellbeing.

What parents and carers need to know about horror films
Young children should always be supervised when they are online and parents and carers must always exercise caution when allowing children to view any content, shows or films above the age recommended for them.

The emotional and psychological impacts of viewing age-inappropriate content can be severe. This guide breaks down the risks of viewing age-inappropriate content, with a particular focus on horror, and offers expert advice on how to limit youngsters' exposure to material that might upset or disturb them. There's also an [accompanying podcast version](#) of this guide, so you can tap into this valuable guidance while you're on the go.
