Autumn Term Week 8

We have had a lovely last day of term yesterday with a joint Year 1 and 2 Celebration assembly (complete with Values Superstars certificates and wristbands awarded- see right). Over this term the children have earned 1288 Values tokens- an incredible achievement and one that earned them all an hour of Golden Time this afternoon.

In assembly we also celebrated our regular readers who had been consistent over the term. It was great to see how many children have been practising their reading at least four times each week. These children were entered into the termly raffle for a £10 book token and the winners were: Riaan, Nora V and Safer.

We hope you all have a lovely half term break and look forward to seeing you on Tuesday 2nd November.

Class Attendance Award

Willow Class - 98.9%
Cherry Class - 95.8%
Oak Class - 95.2%
Hazel Class - 94.7%
Beech class- 93.1%
Maple class- 88.1%

BB Bear will visit the class with the highest attendance.

Tuesday 3rd - First Art club 3.15 – 4.30pm

Wednesday 4th - Year 2 PE

Thursday 5th -

Friday 6th - Year 1 PE

- Reception Family Reading 2.30pm

As part of our commitment to safeguarding, we provide information about online safety and wellbeing. This information will also be shared on our Facebook page.

Deepfakes use AI to create convincing fake images, videos and audio recordings, making it appear that someone has said or done something they haven't. As this technology becomes increasingly accessible, young people face growing risks from online bullying, fabricated explicit images and sophisticated impersonation scams.

From bogus celebrity endorsements to cloned voices and digital blackmail, deepfakes can have serious consequences for unsuspecting victims. With children potentially becoming both targets and creators of this misleading content, understanding the dangers is essential. Our guide explores the risks and offers practical advice on spotting deepfakes, protecting personal information and encouraging responsible AI use.
