COVID-19 VISITOR GUIDELINES

The Avenue is asking for the support and understanding of our visitors in helping us minimise the risk of COVID-19.

The Avenue continues to take guidance from Public Health England and the DFE. Taking this into account, we are now limiting access to the site to essential visitors only. If you are unsure as to whether your proposed visit is considered essential, please email the School Reception, admin@theavenue-inf.northants.sch.uk

If your visit to The Avenue is an essential one, we would nevertheless ask that you refrain from visiting if:

- in the past 14 days you have travelled from or transited through any of the countries or areas that are currently require self-isolation on return.
- you have developed a fever (above 37.8C) or a new, continuous cough or have had a loss / change in your sense of taste or smell within the last ten days.
- anyone in your household is required to self-isolate in accordance with Government guidelines.

Along with all members of The Avenue community, any visitors to the School should **wash their hands with soap and water** before leaving home and once they arrive at The Avenue. **Gel hand sanitiser** will also be available on arrival and throughout your visit.

We would ask you to maintain **social distance** (ideally 2 metres and a minimum of 1 metre) and avoid face-to-face contact for prolonged periods with all staff and pupils.

For the avoidance of potential embarrassment, we would also like to advise you that the School is currently operating a '**no handshake**' policy for all members of its community.

We apologise for not being able to give you our usual warm welcome, but we must take the current situation very seriously and look after the welfare of our pupils and staff.

If you have any questions, please contact the member of staff you were due to visit.
