Family Support Worker

Here to help!

Who am I?

My name is Nina Fowle and I am your Family Support Worker. You may have seen me around the school, as I have been a Teaching Assistant in each year group and continue to support the teachers across the school.

I have 3 children of my own (aged 19, 17 and 16) who have been through The Avenue and are now working, attending college and Sir Christopher Hatton Academy.

From a personal and professional perspective I can appreciate the joys and challenges that our children present for us to enjoy or to manage! I am sure that this insight will help me to help you in my role as FSW.

What is a Family Support Worker?

A Family Support Worker is here for you, the parents and carers. It may be that you need help finding childcare in your local area, are looking for out-of-school clubs, need help sorting out forms or knowing what you are entitled to, perhaps you would like some support with your child's behaviour/routine/eating habits/sleep issues etc. – or, maybe like me, you would like to chat over a cuppa!

Where can you find me?

I will be available to speak to from 8.50am - 9.00am every morning in the front playground and again each afternoon from 3.15pm - 3.30pm.

Each day I will be available in my office for longer consultations for most of the day.

Alternatively, you can get hold of me via the school office on 01933 276366 or my e-mail address;
