

Take a walk Litte Lion

Once upon a time there was a Little Lion who lived with his mummy in a gloomy den. Early one morning he woke up and went out for a walk.

Bzzzzzz – He saw a bee and because he liked honey, Little Lion followed the bee.

Take a pounce Little Lion,

Take a pounce Little Lion,

Take a pounce Little Lion,

Take a pounce!

He pounced and he pounced and he pounced till the bee flew over a stream.

Take a splash Little Lion,

Take a splash Little Lion,

Take a splash Little Lion,

Take a splash!

He splashed and he splashed and he splashed till the bee flew over a meadow.

Take a creep Little Lion,

Take a creep Little Lion,

Take a creep Little Lion,

Take a creep!

He creeped and he creeped and he creeped till the bee flew over a swamp.

Take a leap Little Lion,

Take a leap Little Lion,

Take a leap Little Lion,

Take a leap!

He leaped and he leaped and he leaped till the bee flew into a dark forest.

Take a sprint Little Lion,

Take a sprint Little Lion,

Take a sprint Little Lion,

Take a sprint!

He sprinted and he sprinted and he sprinted till the bee flew up into a tree.

Take a scramble Little Lion,

Take a scramble Little Lion,

Take a scramble Little Lion,

Take a scramble!

He scrambled and he scrambled and he scrambled till he found the bee's nest. It was full of honey – mmmmmmmmm but it was also full of angry bees.....bzzzzzzzzzz!!!

QUICK!

Take a scramble Little Lion,

Take a sprint Little Lion,

Take a leap Little Lion,

Take a creep Little Lion,

Take a splash Little Lion,

Take a RUN Little Lion...

Be quick!

All the way back home to the dark cave where Little Lion met his mummy.

Take a HUG Little Lion,

Take a HUG Little Lion,

Take a HUG Little Lion,

Take a HUG.

So Little Lion never went near the bees again and they lived happily ever after.
