Newsletter 6 - Summer term 2

Dear parents and carers,

It has been a lovely start to the term and the children are enjoying their new topics. Years 1 and 2 are looking forward to their trips next week. Thank you to those of you who joined us for our first Family Fun day last Saturday. It was a fantastic turnout and great fun. We hope to do another event in the future.

Hot weather

This week's beautiful weather has been a treat but can we please remind parents / carers that every child should have a named hat and water bottle in school and ideally be wearing sun cream (Please do NOT send sun cream or sunglasses into school). We are mindful of the time the children are spending in the sun and have additional shaded areas available. Please do check that all school items are named as well have vast amounts of unnamed lost property which is then tricky to return to owners.

Uniform

You should have received information on our new pre-owned school uniform online shop at <https://www.uniformd.co.uk/theavenue-infant>

Please check it out for very reasonably priced items in a range of sizes and styles. We would appreciate donations of any good condition, outgrown school uniform items (with or without the school logo) to the shop - please bring these in to the school office.

New uniform from Mapac:

Those of you wishing to order NEW uniform items, the deadline is Friday 24th June in order to get free delivery to school before the summer holiday.

Lunch boxes

Please could we ask that any packed lunches brought from home contain a healthy balanced lunch, including a savoury item (such as a sandwich or wrap) and fruit. If crisps are included this should be only one small pack and no nuts or chocolate bars please. Your child has their water bottle with them for lunch. Thank you for your support and please remember that Kingswood, our caterers, offer a selection of options, including a 'picnic' lunch, available to pre-order for free. If you have any questions or would like any help with your child's eating please see a member of staff.

Frozen Friday:

If anyone could spare a few minutes to help us sell ice lollies for FOTAS on a Friday we would be very grateful. The set up would need to be started around 3pm and should be finished by 3.25pm. If you are able to help, even if just for one or two weeks, please come to the school office.

Events this term

Below are a list of dates for this term. Further information for certain events will be sent separately.
