ILLNESS

If your child feels a little unwell (such as a cold) we are happy for them to be sent into school. Often children feel better when they are with their friends and are busy. If they are too unwell for school we will, of course, contact you to collect them.

Children missing school for minor illnesses can miss out on vital learning which they may struggle to catch up.

Obviously, children suffering from sickness and diarrhoea should remain at home and for at least 24 hours after the last bout. Thank you.

Thank you to all the Year 2 parents who attended the Open afternoon and helped make the children’s African jacket from their designs. The jackets look fabulous and the children loved having you there.
