END OF YEAR NEWSLETTER

Dear parents and carers,

We are fast approaching the end of the school year and a very hectic term. The children have enjoyed their class trips, visitors to the school, sports day, class rewards, end of year concerts, Year 2 leavers tea to name but a few! I know the children are looking forward to their summer break after all their hard work over the year.

I hope you were pleased with your child's report and their progress this year. We have had some very positive feedback which is always lovely to hear.

The end of this term sees Mrs Smith leaving us for a new teaching job. The staff and children have been busy wishing her well and I know she will be missed. Miss Harris will be joining us, in the Year 1 team, from September and I know she will enjoy being part of The Avenue family and is looking forward to getting to know you all.

This summer will also see another change as Miss Kerti is getting married and will return in September as Mrs Bolter. We all wish her a wonderful wedding day and best wishes for Mr and Mrs Bolter's future together.

Lost property:

Please check uniform you have at home as Lois in Class 3 and Nikola in Class 4 are both missing named cardigans / uniform. Please help us with this by naming all uniform clearly so if the children misplace any they can be returned to the correct owner.

School finish and return:

School finishes tomorrow (Wednesday) at 3.15pm for the summer break and the new Year 1 and Year 2 children are due back on **Monday 5th September at 8.50am** as usual.

Headteacher's Summer Challenge- 'The Big Friendly Read' and Summer Fun diary

The children have all been given information about **Wellingborough library's Big Friendly Read** (the library's summer reading challenge). The children need to read six library books over the holiday and earn stickers for a BFG themed wall chart. Once complete they will receive a certificate and medal which can be shared in Celebration assembly in September. Please do make use of this and all the

related events that are on at the library and continue to encourage your child to enjoy reading over the holiday.

We would also love to see drawings and writing about things your child has done over the summer- perhaps encourage them to keep a **Summer Fun diary** to share with their new teacher.

Finally....

We wish all our Year 2's the very best for their new school. We know they will continue to work hard and keep growing into responsible young people who make their family proud.

All the staff wish you and your family a happy summer break. Thank you for your support of the school over the past year(s) and we look forward to seeing the Reception and Year 1 children in their new classes on Monday 5th September.

Best wishes,

Helen Morrall
Headteacher
