Dear Parents/Carers

### **Re: Communication with Parents/Carers**

We use a number of different methods to communicate with parents/carers with our aim being that all communication is available in a number of different formats to make it easy for you to access.

**Written communications** are sent out via book bags or email. These are available from the office should you need a hard copy. In most cases, with the exception of sensitive communication, these letters can also be found on our website.

**FOTAS** information can be found on our website as well as in our emailed FOTAS Newsletters and specific event information is always available on the website as well as being sent via book bags or email.

The **Diary Dates** section of our website is regularly updated and provides parents and carers with information about what is coming up at school as well as being a good first place to check for timings.

The free **School News and Events App** is a really useful App for you to have on your phone which we use to communicate events that might be happening in the near future as a reminder of what is going on in school.

Our **Website** has lots of important, useful and helpful information for Parents and Carers about our school, your child's education and parenting in general. Online you will find forms, policies, communications, diary dates, E-safety advice, curriculum information and school club details amongst many other things. We urge you to regularly look at the website as we are constantly adding more information that might be relevant to you.

We use **Social Media** to provide prompts and reminders for forthcoming activities as well as to share with you details of the wonderful things the children are enjoying as part of their school day. Again we would encourage you to follow us on Facebook and/or Twitter if you have access to these.

Attached you will find details of how to access the above mentioned online information.

Kind regards

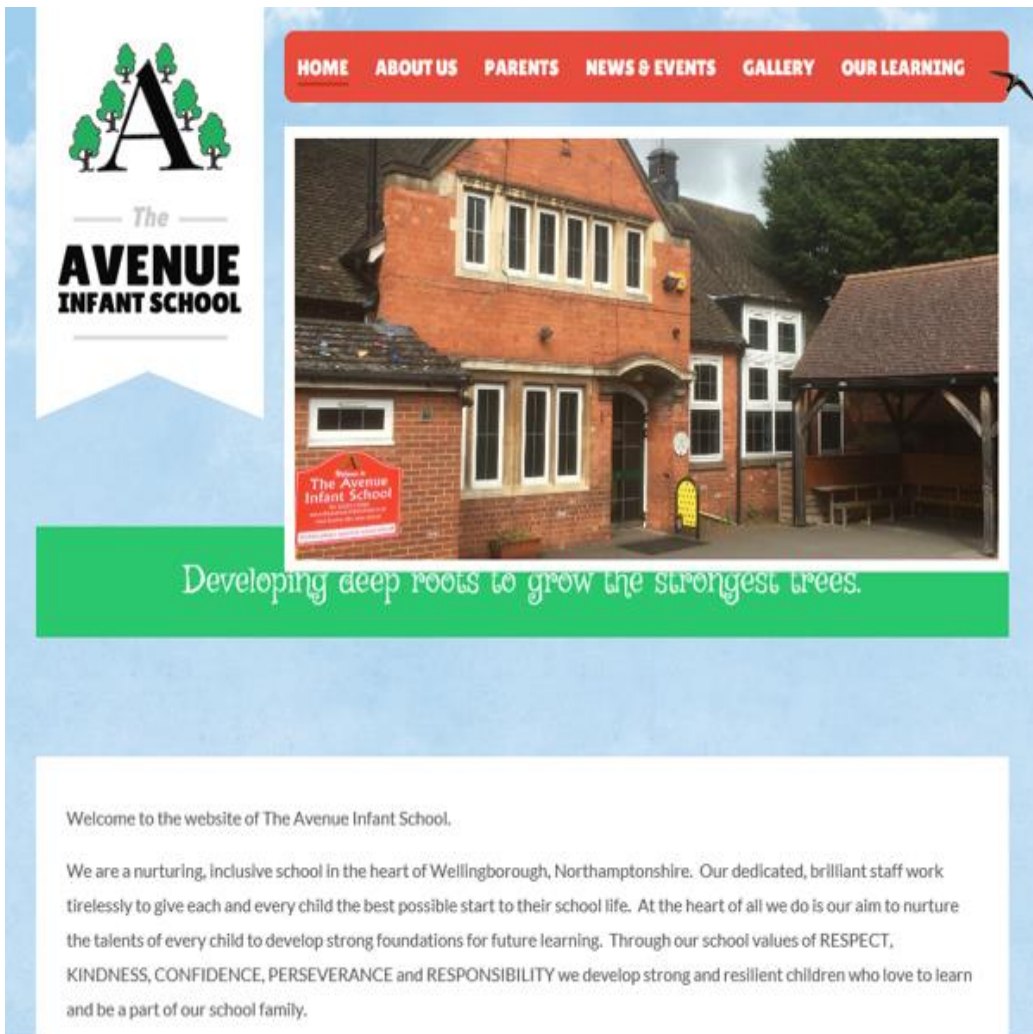

The Avenue Infant School

## SCHOOL WEBSITE:

[www.theavenueinfantschool.co.uk](http://www.theavenueinfantschool.co.uk)

The school website is jam packed with news, information and advice for parents and carers. You can see photos of recent events, find out about future dates, see important school information and find links to other useful sites. Please do take a look.

The screenshot shows the homepage of The Avenue Infant School website. On the left is the school's logo, which features a stylized 'A' with trees and the text 'The AVENUE INFANT SCHOOL'. At the top right is a red navigation bar with links for HOME, ABOUT US, PARENTS, NEWS & EVENTS, GALLERY, and OUR LEARNING. The main content area features a large photograph of the school building, a brick structure with a covered outdoor area. Below the photo is a green banner with the text 'Developing deep roots to grow the strongest trees.' Below this is a white text box with the following content:

Welcome to the website of The Avenue Infant School.

We are a nurturing, inclusive school in the heart of Wellingborough, Northamptonshire. Our dedicated, brilliant staff work tirelessly to give each and every child the best possible start to their school life. At the heart of all we do is our aim to nurture the talents of every child to develop strong foundations for future learning. Through our school values of RESPECT, KINDNESS, CONFIDENCE, PERSEVERANCE and RESPONSIBILITY we develop strong and resilient children who love to learn and be a part of our school family.

## SCHOOL NEWS AND EVENTS APP:

Download the **free School News and Events App** – available from iTunes App Store, Google Play or Windows Store. For details of how to download please see our school website [www.theavenueinfantschool.co.uk](http://www.theavenueinfantschool.co.uk) News and Events tab then select 'News & Events@' app from the list on the left. We are just launching the use of this app so please support us and we hope it will be a fast and efficient source of information to parents and carers.
